

Week 11 - Check-in

Abhik Biswas

December 2, 2024

1 Questions

1. How was the mentor meeting? Was there a good discussion/Did you get your questions answered/requests responded to?

Answer: The mentor meeting was great! This week's meeting was joined by Dr. Kessler, and Mr. Ritvik Khandelwal, and we the main topic of discussion this week was temporal models.

2. What has been the group's overall status and contributions this week?

Answer: Everyone focussed on the development of a temporal model. Shrinjay wrote the main code, which was reviewed by every member of the team, and changes were suggested by everyone on the team to address issues like false considerations of time, and data leakage. Everyone collectively contributed to the completion of the poster to be presented the next week.

3. What has been your individual contributions to the project this week?

Answer:

- Abhik Biswas, Isaac Peabody, Mohini Bhawe, Harinder Mashiana : Code review of temporal models, creating and finalizing the poster.
- Shrinjay Kaushik : Developing the temporal models, and finalizing the poster.

4. Any challenges or roadblocks?

Answer: No blockers for this week.

5. Any questions or feedback?

Answer: No questions. A productive concise discussion took place.
